Also, because the County of St. Paul refuses to contribute funds to the Community Recreation Board, a second motion was passed whereby the Regional Board agreement will be terminated as of Dec. 31.

The board—made up of eight representatives from the county and five from Elk Point—is not being cost shared by the county, Mayor Ed Buck said.

Vermilion ARTA hosts meeting

By Mildred Dunham

About 40 retired teachers gathered at the Empress June 20th to attend a meeting prompted by the Alberta Retired Teachers Association of Vermilion. The purpose of this meeting was to encourage teachers from Elk Point, St. Paul and surrounding areas to organize a branch of their own.

The main speaker was Gerald Beauchamp from Red Deer, followed by Margaret Jack, president of the Vermilion Central Eastern ARTA. The most energetic retired teacher from Elk Point was Sid Holthe who contacted retired teachers far and wide to come to this meeting.

The ARTA was registered as a society with the province of Alberta in 1963. Local organizations of retired teachers existed before that date in Edmonton, Calgary and Lethbridge. At present there are ten local branches throughout the province associated with ARTA. It is hoped that more than 25 teachers in Elk Point - St. Paul will be eager to join ARTA as a branch. There are over 6600 retired teachers taking pension from the teachers retirement fund. About 4600 of these belong to ARTA. The Calgary branch has over 650 living in Calgary alone. The branches are the vital part of the organization. Their concerns and ideas are taken to the Council meetings and the AGM. They meet from 3 to 10 times a year and carry on a wide variety of activities such as:

- maintaining liaison with "Pensioners Concerned", "Society for the Retired and Semi-Retired", and the "Alberta Council of Aging"
- cooperating locally with others on historical, cultural and educational projects.
- maintaining special interest groups - curling, bowling, bridge, crafts, etc.
- holding teas, luncheons, dinners in connection with meetings.
- awarding Honorary Life Memberships.
- holding an event to welcome newly retired teachers.
- having speakers on many topics: wills, estates, investments, travel, teaching experiences in other countries.
- organizing trips to cultural events

and to historic, educational or scientific places.

- keeping in touch with members who are ill.
- maintaining a library of Heritage books.
- establishing scholarships in honor of distinguished members.
- maintaining liaison with ATA locals.
- distributing newsletters to members.

All in all, the main purpose is to prove that life isn't over at a certain age. If anything it can take on new fervor and make life more beneficial for themselves. If Elk Point - St. Paul forms their own branch it will be the eleventh in the NE-ARTA. So if any retired teacher missed this meeting you are urged to contact Sid Holthe of Elk Point. He will be only too pleased to answer your questions and assist you in any way.

KEY SPEAKERS — Sid Holthe, Margaret Jack and Gerald Beauchamp were the key speakers at the meeting of the Alberta Retired Teachers Association of Vermilion.

Omission

In the Lakeland Review article "Vern Sharkey hosts bus driver upgrading course at Heinsburg" in last week's paper it should have been pointed out the course instructor was Hugh Gamble, a school bus operator in the Ashmont area. Local bus drivers gained a lot from the upgrading course.

with the board," he said. "County simply refuses to do their part."

Town administrator Pat Vincent said after the meeting the board will exist next year, although it will consist solely of Elk Point representatives.

He said under the present system, the town feels it's in an unfair position.

"It's like being in a partnership and one of the partners refuses to pay his fair share," he said.

Council approved a motion whereby the Elk Point Golf and Country Club will be able to lease a quarter section of land for \$3,000 per year.

The section, located beside the southwest area of the course, will eventually be used for future course improvements.

In personnel matters, administrative clerk Jennifer Scott was granted 18 weeks maternity leave commencing Oct. 1.

Additionally, Ron Fraess and Ken Bernard of the public works department both successfully completed their probation performance evaluation period and will now be hired by the town on a permanent, full-time basis.

Council approved a Committee recommendation whereby the Committee will finalize a "short list" of firms that have submitted tenders for the Hwy. 41 widening project.

In cooperation with Alberta Transportation, Hwy. 41 from the railroad tracks to 54th Ave. is to become a four-lane undivided highway, while the road between 54th Ave. and 57th Ave. is to be upgraded.

Vincent said it is hoped the Hwy. 41 project will get underway by the end of summer.

In question and answer period, council was told that a small claims action against the Town of Elk Point by resident Alice Miller was quashed in court, June 10.

Miller had charged that the town was responsible for water damage to her basement after a culvert had frozen last March.

However, Miller declined to make her court appearance, and for want of prosecution, the case was tossed out.

Thank You

We would like to thank all the people who attended our sale on June 15th, 1986.

Special thanks to Walter and Helen and the 4-H Club who handled the lunch.

Canada Day — A community works together

As you attend the Canada Day celebrations next Tuesday, you will see a large number of groups and individuals working together to make the day a huge success.

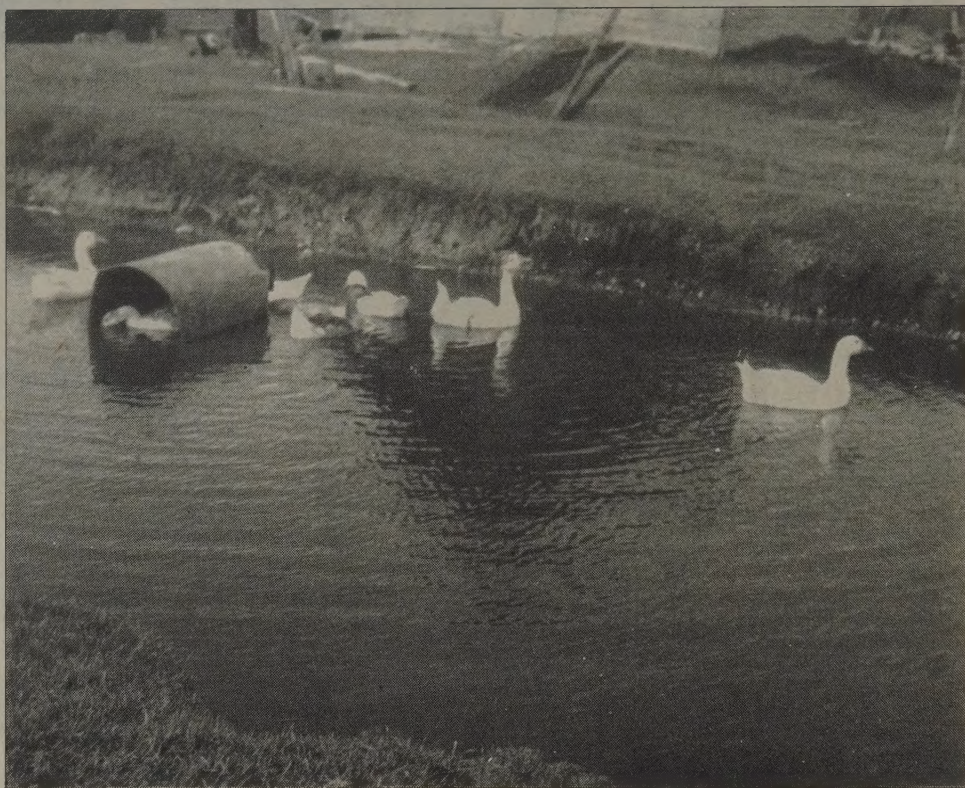

The pancake breakfast is put on by a group of local business people who like to say thank you to their customers in this way, once a year.

The bed races are being run by the 4-Hers, the parade, for the seventh consecutive year, by the Lioness club. The booth cooking your lunch will be staffed by the Lions, and the Army Cadets will serve up ice cream for your dessert.

The Oilettes and Oilmen's Association will look after games for the kids and the adults, the Legion will run the Horseshoe competitions, the Elks will preside over the Pie Eating Contest. The OORP will bake and frost the cake for this enormous birthday party. The FCSS will help with the poster contest and the Chamber with the youth awards. Everyone will send their club or group representatives to be part of the Color Party.

Canada Day in Elk Point is a prime example of a community working together to provide an enjoyable occasion for everyone.

Now, if we can just get the weather to cooperate...

DOING WHAT COMES BEST — These geese at the Dunham residence appear to be having a lot of fun with an old tin barrel which blew into their pond.

Straight A's — Across the Bored

This week, we are publishing the last issue of "F.G. Miller Bored of Education" for 1985-86.

This monthly feature, which let the community know what was going on inside those hallowed halls of learning, showed us all that school is a place for fun as well as for facts.

Our seventeen young reporters have done a fine job of their Language Arts 9 project, and have learned a lot about news, news writing and newspaper production in the process.

Maybe the project has sparked an interest for the future in one of

those young minds. We may have a future reporter, author, pasteup artist or maybe even an editor in this group. A school paper is a good place to start in the journalistic world -- your editor did, as Literary Page Editor of a mimeographed monthly called the Conrich Chronicle!

Many thanks to teacher Denise Kissel for the help and encouragement she gave her students and especially for helping them to learn the meaning of "deadline".

To the whole class, and Mrs. Kissel -- a giant big "A" on your very successful attempt!

From the Sergeant's Desk

By Sgt. JTJ Fell
Elk Point Detachment

PLEASE DON'T PHONE THE MEMBERS AT THEIR HOMES, I'm making this statement as a result of the numerous calls I have received at my residence over the past week. All have been when I was home off duty. I, like most all people, like to leave my work at the office and I would appreciate it if you have any inquiries that you contact the office direct and speak to the ON-DUTY MEMBER.

The R.C.M.P. have spend a great

deal of time and money designing a system that enables members of the community to contact an ON-DUTY policeman at any hour of the day, any day of the week. You simply dial the local R.C.M.P. Detachment phone number, if there is no one in the office your call will be directed to the nearest COMMUNICATIONS CENTER. The operator will immediately contact the member that is on duty and he or she will be dispatched to your location. Calling me at home causes me to dispatch the call myself and will add time to answer-

ing your request because I will have to call the COMMUNICATION CENTER to find out where the ON-DUTY member is.

I appreciate that a matter may be urgent and the need for a policeman sometimes can't wait but I must add that the quickest way is to use the system that is in place. I am not trying to be nasty, mean, or inconsiderate, I'm simply explaining how to expedite the response time of the police. Please appreciate my privacy.

Two firsts for the fourth Alberta Senior Games

By Allan Hobson
Alberta Sport Council

For the first time in the history of the event, the sports of track and field and lawn bowling are to be included in this summer's Alberta Seniors Games in Grande Prairie.

The Games, which run August 7, 8 and 9, are to feature competition in 23 activities - everything from dancing and orienteering to floor curling, handicrafts and snooker. In all, close to 1,000 of Alberta's most active seniors 55 and over are to take part. Another 20,000 will compete in playoffs in eight zones across the province to qualify for the Games.

"I think it's excellent that lawn bowling has been finally included," says Cyril Smyth, 66, of Edmonton, an avid lawn bowler. "The sport hasn't got the recognition it's deserved and maybe this'll help. It's a sport which should be included."

The primary reason why lawn bowling hasn't been included since the Games began in 1980 is that Camrose, which hosted all three of Alberta's previous Seniors Games, didn't have a lawn bowling green. Grande Prairie, by comparison, boasts the only artificial lawn bowling green in North America and at

around 55 degrees north latitude, the most northerly one in the world.

According to Smyth, one of the reasons the sport hasn't taken off as well as it might is that people think it's only played by seniors.

"It's a game of any age," he insists. "Some of the game's best players are in their 20s, 30s and 40s."

Track and field doesn't have the same problem. Traditionally seen as a young person's sport, its introduction into this year's Games reflects a general increase in the popularity of running, jogging and walking throughout society, according to Jane Lang, co-ordinator of the Alberta Senior Citizens Sport and Recreation Association in Calgary.

"There hasn't been much demand for track and field until now," Lang says. "But the average Canadian is more physically active now. Fitness is in vogue and it's here to stay."

Track and field at these, the fourth Alberta Seniors Games, is to feature competition in a 2 kilometre run, a 1 km. time-predicted walk and a softball throw for distance and accuracy. Events are open to both men and women.

One of those who'll likely be competing in the walking event is 74-year-old Lily Tokaryk, of Edmonton.

"A lot of seniors walk and I'm glad to see it introduced this year," she says. "I do a lot of 'power-walking' - fast, timed walking at a brisk pace. I can walk almost as fast as a slow jogger. I don't mean doddling."

For more information on the Games and how you can get involved, contact the Zone 7 Alberta Sport Council office in Lloydminster at 875-5506 Ext. 34 or call Sid Holthe in Elk Point at 724-3837.

Correction

PLEASE NOTE - As previously advertised in last week's issue in an article regarding "Canada Day Celebrations", it was mentioned that there would be an early morning pancake breakfast sponsored by local merchants of Elk Point.

However, we would like to correct this rendition, in announcing only the names of four particular businesses who will be sponsoring this event. They are: CBM Confectionery, Work Warehouse, OK 3 Bakery, and Single Styles.

We are sorry for the inconvenience this may have caused.

A word from our teacher

By Denise Kissel

Gr. 9 Language Arts Teacher

When the suggestion was first made that the school write and edit enough school news to fill an entire page in *The Lakeland Review*, I have to admit I was skeptical. There seemed to be too many barriers. My first concern was how would we pay for the page? An entire page of the newspaper does not come cheaply. As we approached local businesses, we began to realize the task ahead of us

was not as difficult as we had first perceived. The response was incredible and we would like to take this opportunity to thank all of you again.

September - The Canadian Salt Co. Ltd.
October - John Oryshchuk Trucking
November - Westmin Resources Ltd.
December - The Elks Club
January - The Lakeland Review
February - Elk Point Oilfield Services
March - Mr. John Drobot, M.L.A.
April - Westmin Resources Ltd.

May - Empress Restaurant
June - Dr. Bruce Kleeberger and The Lakeland Review

Without the support of our sponsors, our hard work would never have appeared in print.

My second concern was would they find enough news to fill an entire page? I underestimated the determination of this class. When there wasn't enough news, they made their own such as the time they organized and performed HAM-let.

My third concern was, would the

students lose interest in the page? They took great pride in seeing the end result of their page when it came out in print and they even attempted their own newspaper lay-outs. They were also willing to remain anonymous until this month which I think was the most difficult part of doing the page for them. That is why this page has been dedicated to them. Elk Point, be proud of yourselves and your youth!!!

"Bored of Education" is written and organized by the Grade 9 Language Arts Option Class with contributions from around the school. It is sponsored by various businesses in and around Elk Point.

We would like to thank Dr. Bruce Kleeberger and the Lakeland Review for sponsoring us this month. We would also like to say thank you again to last month's sponsor, The Empress Restaurant.

NICE WIN — Lena Stepa hands over the books she won at a Literary Conference to Doreen Maynard of the Elk Point Library.

Jasper library conference

By Mildred Dunham
Ferguson Flats Correspondent

Two Elk Point ladies, Lena Stepa and Irene Miller attended a library conference at Jasper, May 1st. Besides finding the trip very educational, the highlight of it was that Lena Stepa (vice-chairman of the Elk Point Library Board) was the lucky winner of \$94 worth of books in a draw. There was a box there for the representatives in attendance of this meeting to put their names in.

Since the Elk Point Library Board sponsored the trip, Lena Stepa felt that it was only right and proper to donate her bag of books to her local library as she did not need them for herself.

The Elk Point Library Board wishes to thank Lena Stepa for donating her prize to them.

FGM news

As to date, no suspect has been apprehended on this investigation and the Elk Point Detachment would appreciate any public assistance in regards to the identification of the driver or owner of the vehicle.

Clandonald 4-H Achievement Day

By Shirley Osinchuk
Clandonald Correspondent

On Sunday, June 8, the Clandonald 4-H invited all interested friends and relatives to the annual Clandonald 4-H Beef Club Achievement Day in the arena in Clandonald. An impressive group of well-groomed steers lined the south wall. Signs, and displays showed 4-H work in the area, and one noted that 4-H in Clandonald had been "going for over 20 years".

Mrs. Caroline Polowy and the 4-H members led the singing of "Oh Canada", Dana Misick said the 4-H Pledge, and Brenda Polowy welcomed the guests.

The conformation judge was Ken Giebelhaus from Vegreville. Iris Attfield was Showmanship and Grooming judge, and Andrew Convey was ringman.

Ken Giebelhaus spoke to the members and guests, noting first that the involvement of different generations, which he could see in the audience, indicated that there would be 4-H in Clandonald for years to come. He went on to explain how judging of beef animals depends on the qualities necessary to produce the kind of beef cuts demanded by the consumer, and how to judge whether an animal will meet these standards after butchering.

The eight senior members showed their calves, and Brenda Polowy's placed first, and Arlene Cook's second. Throughout the class the Grooming and Showmanship judge was also watching, and Cheryl Nowosad placed first in Showmanship and Wendy Nowosad, second. Terry Dahoy received first for Grooming.

The five Junior members showed their calves, and the judge placed Dana Misick's first and Christina Garnier's second. Robert Garnier placed first in Showmanship, with Christina Garnier second, and honorary mention to Dana Misick. Dana Misick received first for Grooming.

The Championship class consisted of the top two calves of the Junior and Senior classes. Ken Giebelhaus judged the calf of Brenda Polowy as Grand Champion of the show, and Arlene Cook's calf as Reserve Grand Champion.

The only PeeWee member, Joanne Simonet showed her calf and received the winner's ribbons.

Terry Dahoy introduced several long-time supporters of 4-H in Clandonald, who were in the audience.

Christina Garnier reported on the Club's activities since its formation last October. Besides looking after their calves they have been curling, public speaking, and skiing. They took part in workshops on grooming and public speaking, and in the province-wide highway clean-up. The next day they would be part of the Interclub Show and Sale in Vermilion.

Jessie Nowosad and Mike Nowosad won the caps given away as Door Prizes. The weight guessing contest winners were Jessie Nowosad, Kevin Martin and Anthony Lawrence.

Brenda Polowy paid tribute to Larry Garnier, their leader, and presented him with a gift. Iris Attfield was also presented with a gift.

The following trophies were awarded: Bob Cook presented the Homer Campbell Trophy for the Grand Champion to Brenda Polowy. Edna Cook presented the Queenie Creek Ranch Trophy to Arlene Cook for Reserve Grand Champion.

Cheryl Nowosad received the Pat Chase and Family Trophy from Michael Chase, and Wendy Nowosad received the George Convey Senior Trophy from Mr. Convey. Victor Nowosad presented his trophy for first in Junior Showmanship to Robert Garnier, and Christina Garnier received the trophy for second from Orest Misick. Matt Harasiuk presented the trophy he donated for Best Senior Grooming to Terry Dahoy, then Matt and Art Lawrence presented the Clandonald Seed Cleaning Plant Trophy to Dana Misick for Best Grooming in Juniors.

Terry Dahoy won the judging com-

petition, and was presented the Eugene Martin and Family Trophy by Eugene and Kevin Martin.

The Proficiency Award, to the member who contributes the most to the club was donated by the Larry Garnier Family and presented to Brenda Polowy by Lorna Garnier.

The Clandonald Grocery Trophy, for first in Senior Public Speaking was presented by Marie Maik to Brenda Polowy. The second place award, donated by the Clandonald 4-H went to Terry Dahoy. Jerry Hughes presented the Cargill Grain Vermilion Trophy for Junior Public Speaking to Dana Misick. Jodi Misick received the second place award, donated by the Clandonald 4-H.

Hazel Kada presented the Mr. and Mrs. Stanley Trophy for PeeWee Grand Champion to Joanne Simonet. Joanne also received the PeeWee Showmanship Trophy donated by D & E DeFord Contracting, presented by Dever DeFord.

The Trophies donated by Ed & Elda Etherington and by Ed & Caroline Polowy for record books will be awarded later. The record books are completed and marked after the Show and Sale in Vermilion.

Anita Nowosad won the Vermilion Valley Fertilizer Trophy for Rate of Gain with her calf that gained an average of 3.28 pounds per day over a period of 203 days.

After closing remarks by leader, Larry Garnier, and the 4-H Grace repeated by Cheryl Nowosad, all members and guests enjoyed a delicious lunch.

On Monday, June 9, the Clandonald club took part in the Interclub Show and Sale in Vermilion.

Clandonald placed second in the Group of 5 Steers class after Mannville.

In the Vermilion Show the calves were shown in groups according to their weight, with no distinction between Junior and Senior. None of the steers was placed top of a class, but of the four showmen chosen from each class, one was from Clandonald. David McNamara, Darrell Nowosad, Wendy Nowosad, Shawn Simonet and Dana Misick competed in the

Showmanship classes. Dana Misick won the Junior Showmanship Trophy.

In the All Breeds Class Arlene Cook's steer won the Hereford Trophy.

In the sale, the Grand Champion of the show, belonging to Troy Waltz of the Preston Club, sold for \$2 a pound. The over-all average of the sale was \$1.06.

Congratulations 4-H members, leaders and parents.

Many Alberta school buses now have a new "eight-light warning system" to keep you better informed of when to slow and when to stop, whether you're approaching or following the bus.

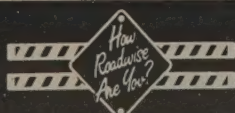

Look for amber flashing lights on the front and rear corners of the bus, warning you to slow down. You'll see the amber lights begin to flash about 100 metres before the bus stops — so you have plenty of time to safely slow down.

As the school bus stops, red lights will start flashing, so that you know school children are getting on or off the bus. Stop.

A special red "STOP" arm will also swing out from the driver's side of the bus — showing you that you must wait until the bus moves.

Keep our school children safe.
Watch and wait when you see the school bus warning lights.

OFFICIALLY OPENED — Bud Miller cuts the ribbon to officially open the newly renovated Rusylvia Hall.

Clandonald News

By Shirley Osinchuk
Clandonald Correspondent

The past few weeks have been the busy ball season. The local teams are playing in tournaments and having their playoffs. The Rusylvia Ball Tournament season and official hall opening will be reported in the next week or two.

The teachers and supporters formed the Clandonald Crushers to go out and make "war" on the ball diamonds in Kitscoty on Saturday, June 14. The County Office staff organized a ball tournament there. The Crushers had a lot of fun, and earned a few sore muscles, but apparently didn't bring home any winners' trophies.

The Bantam girls ball team had a busy week, winning a hard game with Dewberry. They had to make up a thirteen run lead that Dewberry had, to finally win by three runs. On Wednesday, June 18, they lost to Marwayne after a short rest to wait out a heavy shower. On Saturday, they played in a tournament in Kitscoty, where they placed second in the "A" event after a Vermilion team.

The Suirt boys played and won in Kitscoty on Tuesday, June 17. They also played in the Kitscoty tournament.

Congratulations to Jack and Irene Rochford on the birth of their daughter Morgan Alexandria on June 13. Morgan's proud grandparents are Saide and Tom Rochford of Alledale, and Annie and Sid Cusak of Clandonald.

On Tuesday, June 17, the Grades 1 and 2 invited parents and friends, as well as all the other students to their

presentation of "The Little Train". The audience certainly enjoyed the play, and appreciated the time and effort put in by Mrs. Carter, teacher and director, as well as the students.

The Agricultural Society is planning the Clandonald Fair on August 8 or 9. The Fiddler's Contest is a favorite event. This year there will be categories for Junior, Intermediate and Senior. Please contact Matt Harasiuk for information and to enter the contest. Call Matt at 853-2671.

Recent Agricultural Society Lottery winners are Gerald Martin. Louis Garnier and Reynolds, Crerar and Hurdle.

No school on Thursday, June 27, and school out for summer holidays at 11:30 on Friday. Happy holidays to students and teachers. School starts again on Thursday, August 28.

When you think you are confused, think about Chris Columbus. When he started out he didn't know where he was going. When he got there he didn't know where he was, and when he got home, he didn't know where he had been.

New teacher at F.G.M.

One of the latest, new faces of F.G. Miller is Miss Holly Burton. She was born in Winnipeg and then moved to

Edmonton where she completed her senior years at Jasper Place. She then went to the University of Alberta for four years, majoring in Business Ed. and minored in English.

To say that Holly is physically active in sports, is an understatement. She's heavily involved in road racing and was a participant in the relay from Banff to Jasper! She enjoys track and field and hopes that if she stays, next year she will coach the

track team. She enjoys competitive diving, soccer, dancing and teaching piano. Talk about active!

Holly has a younger sister in grade seven and is lucky enough to have an identical twin sister, who are currently living in Edmonton.

Holly is really excited about teaching Business Ed. and we feel that she is a much needed asset to our school! Hope to see you here next year!!!

IT'S THAT TIME AGAIN !

Albertans contribute to summer programs

A number of nationally and internationally acclaimed persons will be returning to teach at Lakeland College's tenth Summer Program, July 7-18.

"I couldn't be happier with the instructors we have coming again this year," says Sheila Ireland, coordinator of the Summer Program. "They're all experts in their field, but besides that, they are wonderful people. They give so much to their students."

Dr. Grant MacEwan, former Lieutenant Governor of Alberta, returns for another memorable year at Summer Program. His expertise and entertaining manner of presentation brings new excitement and understanding to the history of the Canadian West.

This noted historian is the author of many books, some of which are: *Blazing the Old Cattle Trail*, *Between the Red and the Rockies*, and *Power for Prairie Plows*.

Calgary artist, Bette Locke, brings new dimension to the art of calligraphy. In her 1986 Work Calendar, "Work is a heck of a job, but somebody has to do it", she incorporates calligraphy with caricature and graphic design, producing a delightful calendar of humor, quality and taste.

Betty has produced everything from miniature greeting cards and business cards, to the calendars. Her course content includes poster techniques, Chinese brush manipulation, copperplate, as well as card and book making.

Mime-light team, Marlane

Herkoltz and Kenneth Noster, have performed to audiences of all ages across Canada, and are one of the most consistently sought-after teaching teams in Western Canada.

Although best known for mime, both actors are writers and directors, and have credits in film, television and stage. They lead their students through a logical progression from vocal and physical awareness to movement, character, and finally an "on stage" performance for an invited audience.

Former director of Alberta Culture's literary arts program, John Patrick Gillese, returns for the fourth year to instruct aspiring authors in the "how to's" of turning their ideas into published works.

Mr. Gillese has more than 5000 published short stories, articles and features, many documentary films and a full length feature film to his credit.

Ruth Gerwing, whose water colors and life drawings have sold extensively on the international market, is currently director of the Art Academy, a community learning centre in Victoria.

This accomplished artist, who trained in Washington and was formerly artist in residence at Red Deer College, teaches basic drawing and design, drawing the human form and landscape painting.

Many other exciting courses for all members of the family are available at the Summer Program, held at the Vermilion campus of Lakeland College.

Old age security pensions going up

Federal Old Age Security, Guaranteed Income Supplement and Spouse's Allowance benefits will be increased in July to keep them in line with the cost of living, Health and Welfare Minister Jake Epp announced.

The universal Old Age Security pension (OAS), paid to people 65 and older, will rise to \$291.51 (from \$288.34) a month in July, August and September.

The maximum Guaranteed Income Supplement (GIS) will increase to \$346.45 (from \$342.68) for a single person and for a married person whose spouse does not receive an Old Age Security Pension or a Spouse's Allowance.

The maximum Guaranteed Income Supplement will increase to \$225.63 (from \$223.18) for each married person whose spouse also receives an Old Age Security pension and for a married person whose spouse receives a Spouse's Allowance.

The maximum Spouse's Allowance (SPA) — paid to low-income people between 60 and 64 who are married to GIS recipients — will increase to \$517.14 (from \$511.52).

The maximum Widowed Spouse's Allowance (WSA) paid only to low-income widowed persons aged 60 to 64 who reside in Canada and meet the basic residence requirements, will increase to \$570.95 (from \$564.74).

All these benefits are adjusted every three months based on recent changes in the Consumer Price Index, Statistics Canada's measure of inflation.

Both the Guaranteed Income Sup-

plement and Spouse's Allowance are payable only to residents of Canada. The Supplement or Allowance will be paid for 6 months after the month of departure. If recipients return to reside in Canada their benefits may be reinstated upon request.

Ferguson Flats Correspondent

Local ladies from Lindbergh and Spring Park have completed their second quilt this year for the Red Cross. It was a beautiful well made patchwork quilt which will be sent to the Red Cross House in Edmonton. They in turn will donate it wherever a disaster takes place, such as a fire or flood victim. These ladies should be highly acknowledged for their efforts in this worthwhile project.

Spring Park way, Jolene Aarbo took in Lloyd's Arabian Horse Show this weekend. She showed her horse at halter Saturday and rode western pleasure Sunday. Jolene placed third in western pleasure and her horse place 1st in both the stake and mare's classes. (Western Pleasure Junior "C" division). It's nice to see local kids take part in these activities. Congratulations, Jolene.

Ferguson Flats are having their annual community picnic on June 29th. It's a good place to renew acquaintances and meet all your relatives and friends. I still believe it's the only place to buy "modern" food at old style prices. See you there. The Fitzs' had their sale last Sunday and I hear there was a big crowd there. Weekend sales are getting to be quite popular in this area.

Primrose sees lots of traffic heading out to Garnier Lake. Campers and buses made into campers seem to be the "in" thing this year.

MANNAWANIS DANCE CENTRE — Elk Point dancers together with their peers from St. Paul performed the tale of "The Wizard of Oz" at the Fine Arts Theatre of the St. Paul Regional High School Friday evening. The Mannawanis Dance Centre staged an excellent concert.

The Miracle of Pure Water

The sun shines on the sea and lakes, causing vapor to rise and form clouds. This vapor is pure, because it leaves behind all bacteria and inorganic minerals.

Why do your houseplants do so well on rain water? Because it is pure water contains no minerals. Plants don't need the minerals found in well water and neither do people. Man needs the minerals found abundantly in the food we eat, but not in the water we drink. The amount of harmful minerals and bacteria found in well water or any other water besides distilled water outweigh the good minerals by far.

What Is Distilled Water??

Our process of distilling water is the same as nature except we keep it confined in a container so the bacteria in the air doesn't get at it. We boil the water, then the vapour goes through a coil system with cooling fans, causing the vapor to turn into pure water.

Try distilled water for 1 month for drinking, cooking and even in your steam iron. Your appliances will look new forever as there is never deposits left in them.

Take one step in maintaining your health and enjoy the fresh taste of distilled water.
